

PAGE TO STAGE SUBMISSION GUIDELINES

Timing:

- The submission window is open from 1st March to 30th April 2025
- Please note that scripts received after this time cannot be considered

Submitting:

- Send us your script, in Word or PDF formats, to the submissions email address: page2stage@swanwickwritersschool.org.uk
- Your email should:
 - o Have "P2S Submission" as the Subject
 - o Include your name, the name of your play, the attachment, and nothing more
 - o Please do not write anything else in the body of the email. If your play needs explaining, then your play is unlikely to be selected
- You should receive an email acknowledging receipt of your script within a few days of sending it
 - if you don't hear within a week, please contact us via the same email address to check, as this may indicate that your script was not received
 - Writers will be notified of whether their script has been selected in the first week of July

Requirements:

- Scripts should have a performance length of five minutes
- Plays need to be suitable for performance in a small, simple space, with minimal props and furniture, provision of which will be the responsibility of the writer
- Your play script should be anonymous – no identification anywhere in the attachment
- You can submit up to three scripts; and if more than one of yours is selected by the panel we will ask you to nominate the one you prefer to work on

Casting of all plays will be handled at the Summer School, by the Page to Stage organisers.
